Individual Assessment: Travel Currency Calculator Submission Sheet

Your student number	<i>e.g. 201812345</i>
The URL of your pages on DEVWEB	<i>e.g. https://devweb2020.cis.strath.ac.uk/~abc01234/MADsdgkjlsghls/calculator/</i>
The assessment has six levels, what level did you achieve?	<i>e.g. Level 4 "live rates"</i>
Any limitations on your submission up to that level	<i>e.g. No – done it all</i>
Did you copy any material apart from from MyPlace or small snippets from w3schools?	<i>e.g. No</i>
Did you work with anyone in developing your solution?	<i>e.g. No</i>

In making this submission you confirm:

- This is your own work;
- You understand that you should not change devweb or gitlab after your submission deadline;
- You give permission for plagiarism detection to be run on your submission;
- You give permission for staff to access your GitLab repository;
- You give permission for staff to access the Linux directories and files in your devweb directory for the above URL if required to assess the submission.

Before submitting you should:

- Push the latest code to GitLab
- Upload the latest code to devweb
- Do a final few test currency conversions on devweb to check it's all working.

Note: We will attempt to mark anonymously so you should not put your name on this form.
